

# UOP Semester Units Information

(updated 08/18/2021)

## How to Earn Units

You may earn units by attending webinar events at our local chapter, Contra Costa Reading Association (CCRA) or the California Reading Association (CRA). Units are based on the amount of participation. Therefore, you must attend three one-hour webinars (chatting throughout them) to earn a unit.

Giving a CCRA Professional Development Book Talk or participating in our monthly Book Club all year by posting on FB will also earn you one unit for each. The CCRA September webinar is longer with an additional assignment that will earn you one unit. The CRA Conference is worth up to two units if you attend both days.

The UOP fee is \$80 per unit.
